

# C3PAO Road Show Coming to an Area Near You

## Overview

Join us for an essential in-person event designed for those who are actively working towards CMMC compliance. This is a valuable opportunity to attend a live Q&A session with an authorized C3PAO. Get direct answers to your questions and gain insights into the CMMC compliance process.

### Training Topics:

- Current status on CMMC
- Things to know ahead of the final rule being published
- Level 2 hardships
  - Defense Industrial Base Readiness
